<i>Note: Approximately December 1, 1958, a color change was made on all 26 series units. Ending Serial No. 8041949 the color was gray or white as required. Starting Serial No. 8041950 the color is seafoam green. In July 1963, models with stainless steel panels were added to the product line. Gray and white panels are no longer available. Requests for colors, other than those currently offered, should be handled in the field.</i>
