General

This document is provided in conjunction with the “hex” file [CINF0150.bex](#), which comprises the executable code for the following Infinity System Control model numbers:

- SYSTXCCITC01-C

This series C software is ONLY compatible with these model wall controls.

Detailed instructions on uploading this software into the Infinity System Control are included in this document. The software release package is available through this link:

http://cacbdpapps.net/marketing/eula/Infinity_System_Control_V0150_EULA.html

Note: This software is for the Series C controls only. The Series A or B controls cannot use Series C software and vice-versa.
